NOTICE TO INDUSTRY

Date Issued: 08 January 2013

Notice Number: 01/2013

Subject: **Vessels departing Vancouver Inner Harbour with over 14.0 Meter Drafts**

Geographic Area: **Port Metro Vancouver Inner Harbour**

Details:

Vessels departing Vancouver Harbour with a draft over 14.00 meters could potentially be delayed due to Under Keel Clearance issues at Neptune Bank and/or First Narrows. Current windows issues at First Narrows have also been identified as a potential problem for these vessels.

Guideline:

To allow for the appropriate planning of these vessels, the Authority recommends agents contact PPA Dispatch with requests for sailing windows for vessels departing Vancouver Inner Harbour with an actual draft of 14.0 meters or more.

If you have questions or comments concerning this notice, please contact me directly.
